

### **Tanzania visa and entry guidelines**

Visas are required by the government of Tanzania for most nationalities.

Visas can be obtained at the airport upon arrival at a cost of \$50 per person (\$100 for American passport holders). Visa requirements are a valid passport with a minimum validity of 6 months and at least one blank page.

- Each person must have a visa regardless of age as the online is confusing and parents ask for mentioning of the children.
